

WRITING NOTES

FBI-King Vol 13, ~~xxx~~Serial 1576-1730 (Very pale copies, machine not right-hard to read)

1579 masking part of identification of lab specimen Q215, all except Ray's Canadian return address. Claim of all things is 7D. Also withheld is all information relating to the Ray comparison specimen, even its lab number. Little doubt all this is public anyway.

1581- C and D used to withhold first graf that refers to what was reported and to which it responds.

1582 withholds part of complaint filed "in case entitled JAMES EARL RAY - FUGITIVE, UFAP," all following withheld. Claim to b2. Complaint filed before U.S. Commissioner secret? Two copies complaint said attached not attached.

1602 is confirmation of the second actual name of a real James Earl Ray other than the accused assassin. This one may be first in time. This one a truck driver. 1611 spelling is Wray.

1604 public information about John Ray withheld under C. Also name of St. Louis police official

1617 Withholding in this sentence claimed under 7D: "Re; aERIC STRAVO GALT - - - - -." So also is information relating to a publication.

1619-narcos agents withheld. Same 1629.

1635 information about John Ray withheld under 7C Almost nothing is not known and has not been published about him, including his criminal records, employment, shacking up, etc. These records also hold all such information and it was released

1647 4/18/68 LA TT - Avalon Cleaners identified mark on sheet recovered Atlanta as that of Galt, who also had six shirts laundered.

1666 withholds name of Captain Memphis Police Dept. Claim 7C

1685 withheld w/o claim to exemption. "Refer to CIA.2 All of 1686 also withheld under 7C&D. No 1687. In worksheets no pages indicated and remarks only initials VPL.

1725 well publicized info about Jerry Ray and others in family withheld under 7C.
